

**AREA**  
 24.340 Acres ±  
 1060251 Sq. Feet ±

**TOPOGRAPHY NOTE**

The spot elevations were measured from actual field locations. The contours are an interpolation of the spot elevations and should be treated as approximate.  
 The topography in the wooded and brushy areas of this site was uneven and not uniform. Many of the steep grades had deep washed out cuts. There were numerous piles and small berms through out the site.  
 Ever effort was made to give an accurate and true picture of the general contour through out this site.

**UTILITY NOTE**

This surveyor has not physically located the underground utilities. Underground utility locations may have been determined from visible evidence, available public maps and/or maps prepared by others and markings established by independent locators or utility companies. There is no guarantee as to the accuracy or completeness of such data, nor is there any guarantee that all utilities are shown. Actual locations of underground utilities in the vicinity of any proposed construction shall be verified prior to commencing excavation, demolition or construction.

Only survey maps with the surveyor's embossed seal are genuine, true and correct copies of the surveyor's original work and opinion.  
 Unauthorized alteration or addition to a survey map bearing a licensed land surveyor's seal is a violation of article 17, section 2, of the New York State Education Law.  
 The certification is limited to the persons for whom the survey map is prepared and on his behalf to the title company, governmental agency, and the lending institution listed herein. Certifications are not transferrable to additional institutions or subsequent owners.  
 The location of underground improvements, structures, and utilities are not covered by this certificate.

I hereby certify that this map was prepared from an actual field topographic survey of the property presented hereon, that all work was performed by me or under my supervision, and that the results of said survey are hereby represented to the best of my professional knowledge and ability.
